

PUBLIC NOTICE

FAKE APPOINTMENT LETTERS BY UNSCRUPULOUS PERSONS PURPORTING TO OFFER EMPLOYMENT INTO THE VRA HEALTH SERVICES

It has come to the attention of the Management of the Volta River Authority (VRA) that an unscrupulous person, posing as the Head of Laboratory Unit at the VRA Hospital at Akosombo is issuing fake letters to unsuspecting potential employment seekers, purporting to be appointing them into roles at the VRA Hospitals.

We understand this person issuing the fake appointment letters under the VRA's trademark demands money to process and confirm employment for these candidates.

We want to state that VRA has not requested any such person to undertake any recruitment exercise on its behalf and that this individual is defrauding unsuspecting job seekers and the general-public by this act.

The VRA has a recruitment process, and at no stage in the process is payment of any sort required from the candidate.

We therefore caution the public to be wary of information from such fraudulent persons and further advise that under no circumstance should they part with money for appointment into VRA because that is not part of our recruitment process. When in doubt, kindly contact us at corpcomm@vra.com for verification.

VRA wishes to assure all that the Authority is an equal opportunity employer committed to a fair recruitment process. Job seekers and the general public must therefore disregard the activities of such fraudulent persons at any point in time.
