FOR IMMEDIATE RELEASE

COVID-19 SCREENING

AKOSOMBO INTERNATIONAL SCHOOL

Following the re-opening of school, COVID-19 screening exercise is currently underway for Staff and Students of Akosombo International School.

All who have so far tested positive are stable and without symptoms but in isolation for further management and treatment by the VRA Hospital staff. Parents of students have been duly informed.

Staff and Students have been advised to continue with strict adherence to all COVID-19 protocols.

We urge parents and the general public to remain calm as our Health Professionals are adequately equipped to handle the cases. **END**
